

**University of Maryland Biotechnology Institute
Medical Biotechnology Center
Baltimore, Maryland**

VACANCY ANNOUNCEMENT

- Title:** **Research Assistant**
- Category:** Exempt, Contractual Contingent II
- Qualifications:** Bachelors degree in Physical science and/or related field is required. Knowledge of metal-enhanced fluorescence and plasmonics may be given preference.
- Responsibilities:** The Institute of Fluorescence (IoF) is seeking an outstanding Research Assistant to join our internationally recognized laboratory. The position will require a suitable candidate to undertake Fluorescence spectroscopy related research, in-line with current research directions in the IoF. Day-to-day responsibilities would include the preparation of surfaces of metal-enhanced fluorescence, Fresnel and FDTD calculations and measuring fluorescence properties from designated surfaces and solution samples.
- Salary:** Commensurate with experience
- Position Available:** Upon completion of search
- Applications:** Please send a letter of application (referencing **position #300937**), CV and three reference letters to:

Dr Chris D. Geddes, Professor
Director of The Institute of Fluorescence
University of Maryland Biotechnology Institute
Medical Biotechnology Center
725 West Lombard Street
Baltimore, MD 21201

Or by email to: geddes@umbi.umd.edu

- Closing Date:** Application review will begin on **January 25, 2008** and continue until a suitable candidate is selected.
